## Deck Yard Low Voltage Lighting DYL-M005 6W Integrated LED Directional Up Lights

### Product Description

Deck Yard 6W landscape Uplight are professional grade integrated LED fixtures perfect for any uplighting application.

Constructed of high quality aluminum, the DYL-M005 incorporates a built in driver and uses the body as a heat sink. The design allows the LED chips to run at a cooler temperature which equates to a longer life up to 60000 hours! Constructed and double silicone O-rings under the shroud, DYL-M005 spotlight is water-proof. The luminaire has an adjustable knuckle to aim light where it is needed.

### Product Drawing

### Feature and Benefits

1. Aluminum with Powder coated finish
2. Adjustable knuckle with lock screw allows light to be positioned.
3. Machine threaded body screws tighten onto two O-rings for a moisture-tight design.
4. NOT be used as a downlight nor aimed in a downward position.

### Specifications

1. Construction: Aluminum
2. Finish: Black and Brown
3. Lead Wire: 48" (standard) or 25' (optional) 18AWG, SPT-2 premium tinned copper
4. Mounting: ABS Stake
5. Glass or Lens: Tempered flat glass
6. Light Source: Integrated CREE® LED
7. Operating Voltage: 12V AC
8. Color Temperature: 3000K
9. CRI: 80+
10. Lifetime (L70): 60,000 hours
11. Powered by: Deck Yard low voltage transformer

### Warranty

5 Year Warranty

Specifications subject to change without notice.
