Deck Yard Low Voltage Lighting DYL-A025 3W Integrated LED Path and Area Lights

Product Description

Deck Yard 3W Philips path light are professional grade integrated LED fixtures perfect for pathway lighting application.

Constructed of high quality aluminum, the DYL-A025 incorporates a built in driver and uses the body as a heat sink. The design allows the LED chips to run at a cooler temperature which equates to a longer life up to 60000 hours! Feature a tall stem and glass hat, it is American style fixture and great for illuminating path and area lighting.

Product Drawing
